INCOME BASED REPAYMENT (IBR) FEDERAL PUBLIC SERVICE LOAN FORGIVENESS (PSLF)  
PUBLIC INTEREST CAREER ASSISTANCE PROGRAM (PICAP)  

2013 Guidelines, Frequently Asked Questions, and Application

Introduction
The UC Hastings IBR/PSLF/PICAP offers loan repayment assistance to UCH graduates who choose careers in public interest law and work either for a non-profit 501 (c ) (3) organization or a government agency. Eligible loans are Federal Direct Stafford and Graduate PLUS loans as well as Federal Consolidation loans. Applicants must demonstrate partial financial hardship as defined by the U.S. Department of Education and qualify for the Federal Income Based Repayment (IBR) or Income Contingent Repayment (ICR) loan repayment plans.

For graduates who qualify, PICAP will pay 90 – 100% of the eligible IBR or ICR loan payments for up to 120 payments. After 120 on-time eligible loan payments, any remaining Federal loan balance will be forgiven by the Department of Education according to its Public Service Loan Forgiveness program.

Overview – Federal Public Service Loan Forgiveness (PSLF)
This program was created by Congress in 2007 to encourage individuals to enter and continue in full-time employment in public service. It provides borrowers who are employed full-time by a public service employer an opportunity to have a significant portion of their eligible federal student loan debt forgiven. Here are some key components of the PSLF.

- Only Federal Direct Loans are eligible for forgiveness in the PSLF program. This means that graduates who borrowed federal loans through a commercial lender as part of the Federal Family Education Loan (FFEL) program will need to convert these loans to a Federal Direct Loan by refinancing them in the Federal Direct Consolidation Loan program at www.loanconsolidation.ed.gov.
- More specifically, the loans eligible for forgiveness are: Federal Direct Stafford loans (Subsidized and Unsubsidized), Federal Direct PLUS loans, and Federal Direct Consolidation loans. Federal Perkins loans can be forgiven through PSLF if they are refinanced as part of a Federal Direct Consolidation Loan.
- Loans cannot be in default.
- Participants must be employed full-time (defined as an annual average of the greater of 30 hours/week or the hours per week required by your employer to be considered full-time) by a public service organization.
- You must qualify for either the Income Based Repayment (IBR) or Income Contingent Repayment (ICR) plan.
- Income Based Repayment (IBR) plan is one of the five loan repayment plans available to repay Federal loans. IBR is based on one’s income and number of family members. Partial financial hardship exists if the amount one would be required to pay per month on the Standard 10-year repayment plan is greater than the amount you would be required to pay in the IBR plan. Public service employment is typically lower paying than many other types of employment. As such, the required monthly payment on IBR is typically lower than on any of the other repayment plans.
- You must make 120 separate, full monthly payments within 15 days of the due date.
- Payments do not have to be consecutive.
- You may apply for forgiveness of any remaining balance on qualifying Federal Loans once you have made the 120 months of qualifying loan payments while working full-time in a qualifying public service position.
- Qualifying public service positions generally are those in which you are a full-time employee of a 501 (c) (3) non-profit organization (as defined by the IRS tax code) or a government agency (federal, state, local or tribal).

Overview – UC Hastings IBR PSLF PICAP

The Hastings IBR PSLF PICAP is designed to coordinate with the new Federal Public Service Loan Forgiveness (PSLF) program. Generally speaking, if one qualifies for the Federal Public Service Loan Forgiveness one will qualify for PICAP funding to help make the Income Based Repayment (IBR) loan payments on Federal Direct Loans. Here are some key components of the IBR/PSLF/PICAP.

- Hastings graduates who have Federal Direct Loans, who demonstrate partial financial hardship and qualify for the Income Based Repayment (IBR) plan, and work for a qualifying employer will be eligible for PICAP assistance toward federal loan debt borrowed for attendance at Hastings.

- PICAP is a Forgivable Loan on a 6 month cycle
  The annual application period for admission into PICAP is January through April. In addition to reapplying each year, recipients must confirm continued eligibility each July. Therefore, twice during the calendar year PICAP recipients apply for a forgivable loan that covers a six month loan period which is January through June and July through December. Recipients use the PICAP loan proceeds to make regularly scheduled student loan payments to the U.S. Department of Education. At the end of each six month loan period the PICAP recipient submits documentation that confirms loan payments were made to the Federal loans on time and in the amounts previously agreed upon. Additionally, recipients must submit an updated application. The previous PICAP loan is forgiven and a new six month PICAP loan is issued. This cycle repeats every six months as long as the recipient remains eligible for PICAP. Once continued eligibility is established and the prior loan is forgiven, a new promissory note is issued for the next loan disbursement.

IBR/PSLF/PICAP Questions and Answers

FAQ1  If I am ineligible now, but become eligible later may I apply?
You may apply for a PICAP loan during the application period, January 1 – April 19, any year in which you meet the eligibility requirements.

FAQ2 May I receive PICAP benefits before I pass the Bar?
You do not have to pass the Bar to be admitted to PICAP and receive benefits.

Employment
FAQ3  If I work part-time, can part of my debt qualify for PICAP?
No, you must be employed full-time as defined by your employer.

FAQ4  What qualifies as law related employment? (In 2013 law related employment is preferred, but not absolutely required for PSLF or the IBR PICAP)
Law related employment encompasses a wide variety of legal work and is not limited to the practice of law in its strictest sense. The Financial Aid Office in consultation with the Academic Dean’s Office and/or public interest faculty will make all determinations. Generally, if your employer is a 501 (c ) (3) non-profit organization or a government the job will meet the PSLF employment criterion.
FAQ5  Do I qualify if the organization I work for is partly funded by the government?
No, your employment must actually be with a government agency (i.e. Public Defender's Office, District Attorney's Office, Judge Advocate General's Office, etc.). Working for a private office that is 80% funded by government sources will not qualify unless it is a 501(c) (3) organization.

FAQ6  Am I eligible for PICAP if I am currently holding a judicial clerkship?
No, judicial clerkships do not qualify for PICAP unless the employer can certify you are a full-time employee and your wages are funded by the employer.

Eligible Loans
FAQ7  What types of loans are eligible under the program?
Federal Direct Subsidized and Unsubsidized Loans and Federal Graduate PLUS loans for study at UC Hastings. Federal Perkins if refinanced into a Federal Direct Consolidation Loan. No assistance will be provided in the repayment of a graduate’s undergraduate loans, Alternative loans, Bar Study Loans, family, or personal loans. If undergraduate loans are included in the Federal Direct Consolidation Loan PICAP will pay toward the portion that relates to study at Hastings.

FAQ8  May I receive PICAP if my loans are in forbearance or deferment?
No, loans must be in repayment status and in good standing to receive PICAP funding.

Calculation of Program Assistance
FAQ9  If I receive a PICAP award how much of my debt will be funded?
IBR /PSLF/ PICAP bases its payment on your IBR monthly loan payment in place with the Department of Education. A PICAP forgivable loan equivalent to a percentage of your expected IBR loan payment will be made twice a year on a sliding scale. The percentage will be based on the number of IBR payments made that count toward Public Service Loan Forgiveness (PSLF).

Payment Percentage Grid
The following chart demonstrates the maximum percentage paid on monthly. Depending on available funds each year, recipients may receive less than the maximum amount. The IBR percentage is based on the number of IBR loan payments made as of January 1st of each year. This percentage is determined once a year and will remain constant throughout both PICAP funding cycles.

FAQ10  If I pay more on my loan than the expected standard monthly payment will PICAP pay more?
No. The PICAP benefit is based on your scheduled, regular IBR payment amount.

Disbursement and Forgiveness of a PICAP Loan
FAQ11  When do I get my PICAP loan disbursement and at what point is the PICAP loan cancelled or forgiven?
PICAP loan disbursements are issued twice a year (January and July) after completion of the required documents establishing eligibility. At the end of each six-month period (June and December) the PICAP Loans are forgiven (cancelled) after the participant confirms that s/he maintained eligibility and made all of the required Federal Direct loan payments.

Participants MUST submit confirmation of loan payments within 60 days of the end of the loan period in order to have their loan forgiven. Otherwise, the PICAP Loan either becomes immediately due or goes into repayment according to the terms of the promissory note. If the loan goes into repayment the interest rate will be an annual fixed rate of 5% and the repayment period will be five years or earlier as required pursuant to the minimum monthly payment.

FAQ12  Are my loan disbursements from PICAP taxed?
Hastings does not take a position on whether or not PICAP benefits in the form of a forgivable loan are tax exempt from federal taxation pursuant to IRS Code 108(f). Other loan repayment assistance programs (LRAPs) have taken that position. You should consult your tax advisor to determine PICAP taxability in your particular case.

Changes in Eligibility
FAQ13  What happens if I become ineligible for the program after having received a loan disbursement?
As a PICAP recipient, you agree to notify the Financial Aid Office within 30 days of becoming ineligible so that the PICAP award can be adjusted in a timely manner. As long as you notify Financial Aid within 30 days you preserve the option to keep a prorated amount for which you may be eligible. You may then choose to either repay the balance of the loan immediately or go into repayment for the balance according to the terms of the promissory note.

If you fail to notify Financial Aid within 30 days of becoming ineligible you forfeit your repayment options and the entire amount of your loan becomes due immediately.

FAQ14  What happens if my eligibility changes and I am not eligible for the full amount of the disbursement I received, but I remain eligible for the program and am eligible for a lesser amount?
Sometimes a person’s circumstances change and s/he becomes ineligible for part of the most recent disbursement he received, but continues to maintain eligibility for the PICAP program. In such a case, an appropriate adjustment will be made to the subsequent PICAP amount.

Length of Program Participation
You may stay in IBR/PSLF/PICAP for a maximum of 120 qualifying payments. The payments do not need to be consecutive.

Right to Modify

UC Hastings College of the Law reserves the right to change the terms of the PICAP program at any time.

In determining your qualifying educational loan repayment obligations, only Federal Direct loans certified for study at Hastings will be considered. Federal loan programs eligible for assistance are Federal Subsidized and Unsubsidized Direct Loans, Federal Direct Graduate PLUS loans and the UC Hastings portion of the Federal Direct Consolidation Loan. I declare under the penalty of perjury, all information on this application is true and complete to the best of my (our) knowledge.

I agree to report to the Financial Aid Office within 30 days, any change that causes me to become ineligible for a current loan disbursement. If I notify Financial Aid within 30 days of becoming ineligible I understand that I preserve the option to keep a pro-rated amount for which I may be eligible.
