INCOME DRIVEN REPAYMENT (IDR) FEDERAL PUBLIC SERVICE LOAN FORGIVENESS (PSLF)
PUBLIC INTEREST CAREER ASSISTANCE PROGRAM (PICAP)

July 2014 – June 2015
Guidelines, Frequently Asked Questions, and Application

Introduction
The UC Hastings IDR/PSLF/PICAP offers loan repayment assistance to UCH graduates who choose careers in public interest law and work either for a non-profit 501 (c) (3) organization or a government agency. Eligible loans are Federal Direct Stafford and Graduate PLUS loans as well as Federal Consolidation loans. Applicants must demonstrate partial financial hardship (PFH) as defined by the U.S. Department of Education and qualify for either the Federal Pay As You Earn (PAYE) or Income Based Repayment (IBR) loan repayment plans. (Dept of Education Repayment Estimator.)

For graduates who qualify, PICAP will pay a portion of the eligible PAYE or IBR loan payments for up to 120 payments. After 120 on-time eligible loan payments, any remaining Federal loan balance will be forgiven by the Department of Education according to its Public Service Loan Forgiveness (PSLF) program. FedLoan Servicing (FLS) is the federal loan servicer designated by the Department of Education to oversee the Public Service Loan Forgiveness program. The Department of Education determines if one qualifies for PAYE or IBR. Generally, PAYE will yield the lowest payment and therefore, should be the selected payment plan for PICAP participants who qualify for it.

Overview – Federal Public Service Loan Forgiveness (PSLF)
This program was created by Congress in 2007 to encourage individuals to enter and continue in full-time employment in public service. It provides borrowers who are employed full-time by a public service employer an opportunity to have a significant portion of their eligible federal student loan debt forgiven. Here are some key components of the PSLF.

- Only Federal Direct Loans are eligible for forgiveness in the PSLF program. This means that graduates who borrowed federal loans through a commercial lender as part of the Federal Family Education Loan (FFEL) program will need to convert these loans to a Federal Direct Loan by refinancing them in the Federal Direct Consolidation Loan program at www.loanconsolidation.ed.gov.
- More specifically, the loans eligible for forgiveness are: Federal Direct Stafford loans (Subsidized and Unsubsidized), Federal Direct PLUS loans, and Federal Direct Consolidation loans. Federal Perkins loans can be forgiven through PSLF if they are refinanced as part of a Federal Direct Consolidation Loan.
- Loans cannot be in default.
- Participants must be employed full-time (defined as an annual average of the greater of 30 hours/week or the hours per week required by your employer to be considered full-time) by a public service organization.
- You must qualify for Partial Financial Hardship and either the Income Based Repayment (IBR) or Pay As You Earn (PAYE) repayment plans. IBR and PAYE are Income Driven repayment plans based on one’s income and number of family members. Partial Financial Hardship exists if the amount one would be required to pay per month on the Standard 10-year repayment plan is greater than the amount you would be required to pay in the IBR plan. Public service employment is typically lower paying than many other types of employment. As such, the required monthly payment on PAYE or IBR is typically lower than on any of the other repayment plans.
- You must make 120 separate, full monthly payments within 15 days of the due date.
- Payments do not have to be consecutive.
- You may apply for forgiveness of any remaining balance on qualifying Federal Loans once you have made the 120 months of qualifying loan payments while working full-time in a qualifying public service position.
- Qualifying public service positions generally are those in which you are a full-time employee of a 501(c) (3) non-profit organization (as defined by the IRS tax code) or a government agency (federal, state, local or tribal).

Overview – UC Hastings IDR PSLF PICAP
The Hastings IDR PSLF PICAP is designed to coordinate with the new Federal Public Service Loan Forgiveness (PSLF) program. Here are some key characteristics of the IDR/PSLF/PICAP.

- Hastings graduates who have Federal Direct Loans, who demonstrate partial financial hardship and qualify for Pay As You Earn (PAYE) or Income Based Repayment (IBR) plans, and work for a qualifying employer may be eligible for PICAP assistance toward federal loan debt borrowed for attendance at Hastings. **PICAP applicants who qualify for PAYE must choose that repayment plan.**

- Participants may stay in IDR/PSLF/PICAP for a maximum of 120 qualifying payments. The payments do not need to be consecutive.

- PICAP is a Forgivable Loan on a 6 month cycle. The annual application period for admission into PICAP is July 1 through August 31. In addition to reapplying annually, recipients must confirm continued eligibility every 6 months. Therefore, twice during the year PICAP recipients apply for a forgivable loan that covers a six month loan period which is July through December and January - June. Recipients use the PICAP loan proceeds to make regularly scheduled student loan payments to the U.S. Department of Education. At the end of each six month loan period the PICAP recipient submits documentation that confirms loan payments were made to the Federal loans on time and in the amounts previously agreed upon. Additionally, recipients must submit an updated application. The previous PICAP loan is forgiven and a new six month PICAP loan is issued. This cycle repeats every six months as long as the recipient remains eligible for PICAP. Once the prior loan is forgiven and continued eligibility is established you will complete a new promissory note available on our web site.

- Effective January 2015:
  - Income must be no more than $74,999
  - $5,000 maximum annual award
  - $50,000 maximum aggregate limit

Eligibility
- Applicant must apply for PICAP within 2 years of graduation from UCH (exceptions may be made if funding permits)
- Employment must be full-time

- Employment must be directly for a local, state, or federal government agency or a public non-profit agency eligible for tax exemption under IRS Code Section 501(c)(3)
- Annual income must be less than the maximum level authorized by the program each year. For 2014-15 the maximum income must be no more than $74,999. Refer to question #8 regarding income treatment for married and domestic partnerships.
- All loans must be Federal Direct Loans
- Applicant must demonstrate partial financial hardship and qualify for loan repayment under either the IBR or PAYE repayment plans. Applicants who qualify for PAYE must choose that repayment plan.
- Applicant must have current qualifying outstanding loans in repayment status, and not be in default on any loan. Loans in forbearance or deferment are not eligible for PICAP assistance.

**IDR/PSLF/PICAP Questions and Answers**

**FAQ1** If I am ineligible now, but become eligible later may I apply?
You may apply for a PICAP loan during the application period, July – August within two years of graduation if you meet the eligibility requirements.

**FAQ2** May I receive PICAP benefits before I pass the Bar?
You do not have to pass the Bar to be admitted to PICAP and receive benefits.

**Employment**

**FAQ3** If I work part-time, can part of my debt qualify for PICAP?
No, you must be employed full-time as defined by your employer.
FAQ 4  What qualifies as law related employment?
Law related employment encompasses a wide variety of legal work and is not limited to the practice of law in its strictest sense. The Financial Aid Office in consultation with the Academic Dean’s Office and/or public interest faculty will make all determinations. Generally, if your employer is a 501 (c) (3) non-profit organization or a government the job will meet the PSLF employment criterion.

FAQ 5  Do I qualify if the organization I work for is partly funded by the government?
No, your employment must actually be with a government agency (i.e. Public Defender’s Office, District Attorney’s Office, Judge Advocate General’s Office, etc.). Working for a private office that is 80% funded by government sources will not qualify unless it is a 501(c) (3) organization.

FAQ 6  Am I eligible for PICAP if I am currently holding a judicial clerkship?
No, judicial clerkships do not qualify for PICAP unless the employer can certify you are a full-time employee and your wages are funded by the employer.

Income
FAQ 7  Is there an income ceiling to apply for PICAP?
The 2014-15 maximum total income one can make and receive IDR/PICAP is $74,999.

FAQ 8  How is my income determined?
The Financial Aid Office shall establish the maximum allowable assets and income. Income is defined as the higher of the total income (line 22 of 1040) under federal income tax laws or the sum of wages, tips, other compensation (Box 1,W-2/1099(s)) of the applicant. Applicants with a spouse or domestic partner will be treated as having the higher of:
   a) the applicant’s individual income; or
   b) half of the couple’s joint income.

Eligible Loans
FAQ 9  What types of loans are eligible under the program?
Federal Direct Subsidized and Unsubsidized Loans and Federal Graduate PLUS loans for study at UC Hastings. Federal Perkins if refinanced into a Federal Direct Consolidation Loan. No assistance will be provided in the repayment of a graduate’s undergraduate loans, Alternative loans, Bar Study Loans, family, or personal loans. If undergraduate loans are included in the Federal Direct Consolidation Loan PICAP will pay toward the portion that relates to study at Hastings.

FAQ 10  May I receive PICAP if my loans are in forbearance or deferment?
No, loans must be in repayment status and in good standing to receive PICAP funding.

Calculation of Program Assistance
FAQ 11  If I receive a PICAP award how much of my debt will be funded?
IDR/PSLF/PICAP bases its payment on your IDR monthly loan payment in place with the Department of Education. A PICAP forgivable loan equivalent to a percentage of your expected IDR loan payment will be made twice a year. The percentage is based on your expected annual income and the length of qualifying public interest employment you have completed as of July 1 and January 1.
Payment Percentage Grid
The following chart demonstrates the maximum percentage paid. Depending on available funds each year, recipients may receive less than the maximum amount. Refer to FAQ8 for income treatment for married and domestic partnerships. The IDR percentage is based on the number of IDR loan payments made that count toward Public Service Loan Forgiveness (PSLF) and annual income.

FAQ12 If I pay more on my loan than the expected standard monthly payment will PICAP pay more?
No. The PICAP benefit is based on your scheduled, regular IDR payment amount.

Disbursement and Forgiveness of a PICAP Loan
FAQ13 When do I get my PICAP loan disbursement and at what point is the PICAP loan cancelled or forgiven?
PICAP loan disbursements are issued twice a year (July and January) after completion of the required documents establishing eligibility. At the end of each six-month period (December and June) the PICAP Loans are forgiven (cancelled) after the participant confirms that s/he maintained eligibility and made all of the required Federal Direct loan payments.

Participants MUST submit confirmation of loan payments within 60 days of the end of the loan period in order to have their loan forgiven. Otherwise, the PICAP Loan either becomes immediately due or goes into repayment according to the terms of the promissory note. If the loan goes into repayment the interest rate will be an annual fixed rate of 5% and the repayment period will be five years or earlier as required pursuant to the minimum monthly payment.

FAQ14 Are my loan disbursements from PICAP taxed?
Hastings does not take a position on whether or not PICAP benefits in the form of a forgivable loan are tax exempt from federal taxation pursuant to IRS Code 108(f). Other loan repayment assistance programs (LRAPs) have taken that position. You should consult your tax advisor to determine PICAP taxability in your particular case.

Changes in Eligibility
FAQ15 What happens if I become ineligible for the program after having received a loan disbursement?
As a PICAP recipient, you agree to notify the Financial Aid Office within 30 days of becoming ineligible so that the PICAP award can be adjusted in a timely manner. As long as you notify Financial Aid within 30 days you preserve the option to keep a prorated amount for which you may be eligible. You may then choose to either repay the balance of the loan immediately or go into repayment for the balance according to the terms of the promissory note.

If you fail to notify Financial Aid within 30 days of becoming ineligible you forfeit your repayment options and the entire amount of your loan becomes due immediately.
FAQ16  What happens if my eligibility changes and I am not eligible for the full amount of the disbursement I received, but I remain eligible for the program and am eligible for a lesser amount? Sometimes a person’s circumstances change and s/he becomes ineligible for part of the most recent disbursement he received, but continues to maintain eligibility for the PICAP program. In such a case, an appropriate adjustment will be made to the subsequent PICAP amount.

FAQ17  Is there a maximum I can receive from PICAP? Participants may receive an annual maximum award of $5,000 and a total lifetime aggregate limit of $50,000 from the PICAP program.

PICAP Process Flow
Annual Application
- Applicant submits PICAP application documents to Financial Aid Office (FAO).
- FAO reviews documents and determines PICAP eligibility.
- FAO sends e-mail message regarding eligibility to applicant detailing the amount of the approved PICAP benefit and the link to the PICAP Promissory Note (P-Note).
- Applicant prints and completes page one Schedule of Advances and all information on page four of the P-Note. Applicant then submits ALL FOUR PAGES to FAO. P-Notes may be faxed or scanned and emailed, but the copy must have a handwritten (not typed) signature.
- FAO generates a Check Request for PICAP loan disbursement and sends it along with the complete P-Note to UCH Office of Fiscal Services.
- Fiscal Services processes the Check Request and mails the PICAP Loan disbursement to the applicant or the disbursement can be directly deposited into a bank account by completing the paperwork found here: http://uchastings.edu/fiscal/direct-deposit.html

Midyear
- PICAP recipient re-establishes eligibility no later than February 28 by resubmitting the application documents along with proof of loan payments made within prior six month period.
- FAO reviews submitted materials and determines whether or not the outstanding loan is eligible for forgiveness and the amount of the next loan disbursement.
- FAO sends e-mail message regarding eligibility to applicant detailing the amount of the approved PICAP benefit and the link to the PICAP Promissory Note (P-Note).
- Applicant prints and completes page one Schedule of Advances and all information on page four of the P-Note. Applicant then submits ALL FOUR PAGES to FAO. P-Notes may be faxed or scanned and emailed, but the copy must have a handwritten signature.
- FAO generates a Check Request for second PICAP loan disbursement and sends it along with the signed P-Note to UCH Office of Fiscal Services.
- Fiscal Services forgives the outstanding loan and issues the second loan disbursement.

Limited Funds
Because PICAP funds are limited, awards are not guaranteed. Awards are made based on an annual budget approved by the UC Hastings Board of Directors and on the earnings of endowment funds restricted to the PICAP program. They are issued on a first come, first served basis until either the published deadline or all funds are committed.

In no case is program assistance available to graduates who have no outstanding law school loans.
Right to Modify
UC Hastings College of the Law reserves the right to change the terms of the PICAP program at any time.

V. **QUALIFYING LOANS**

In determining your qualifying educational loan repayment obligations, only Federal Direct loans certified for study at Hastings will be considered. Federal loan programs eligible for assistance are Federal Subsidized and Unsubsidized Direct Loans, Federal Direct Graduate PLUS loans and the UC Hastings portion of the Federal Direct Consolidation Loan. Additionally, Federal Perkins Loans can be included if refinanced in the Federal Direct Consolidation Loan. Undergraduate loans, alternative loans, Bar Study Loans, family, personal loans, or loans for other than educational purposes are not included.

If you consolidated your Hastings loans with loans taken for study at schools other than Hastings, we need to determine the portion of the Federal Consolidation Loan that is Hastings debt.

VI. **AGREEMENT**

I declare under the penalty of perjury, all information on this application is true and complete to the best of my knowledge.

I agree to report to the Financial Aid Office within 30 days, any change that causes me to become ineligible for a current loan disbursement. If I notify Financial Aid within 30 days of becoming ineligible I understand that I preserve the option to keep a pro-rated amount for which I may be eligible. I may then choose either to repay the unearned portion of the loan immediately or go into repayment according to the terms of the promissory note.

Furthermore, I understand that failure to report within 30 days a change that causes me to become ineligible will result in the loan becoming immediately due.

I understand that as a continuing PICAP loan recipient, if I fail to submit loan payment confirmation so that my PICAP loan can be forgiven (cancelled) by the February 28 and August 31 deadlines or fail to notify the Financial Aid Office of my intent NOT to re-apply, by those same dates, my PICAP loan will become immediately due and payable.
