UC Travel Insurance

UC Hastings provides health and safety travel coverage. These benefits are available at no cost to UC faculty, staff, and students who travel both out of state and out of the country on official UC business and to students in UC sponsored activities and programs out of the state and abroad. The coverage extends to travel companions and also includes a 7-14 day personal deviation and covers you and any traveling companions. Failure to register or provide complete information may result in communication delays or difficulties in receiving timely help in the event of an emergency.
